

It's time to renew your membership!

MAA Members,

Now is the time to renew your membership and involvement in the Mississippi Agritourism Association. We need everyone to stay involved, stay connected, and to continue supporting important issues such as the Limited Liability Law and the Agritourism Signage Program. We are all stronger when we work together and share our ideas.

We are currently working on a NEW website for our Association and we need information about your farm for your listing on the site. If you have any pictures that you would like included on the site, please email them to Michael May at lazyacresfarm@hotmail.com. Our goal is to have the new site up and running by September at the latest.
